Please note your child's records are available for you to view at any time upon request

Nursery Website

Don't forget to have a look at our new Nursery Website

www.chilterncollegenursery.co.uk

It is full of lots of useful information including upcoming events to keep you informed about what is going on in nursery.

Email communication

We would like to set up a database of parents email addresses to use as another form of non urgent communication.

Over the next few weeks you will receive a letter from you department co-ordinator asking you to send them an email. If you are happy to do this, we will then add your email address to our data base and use it in the future to send out information such as this newsletter.

We hope this will be a convenient and quick way for you to receive information from us. If you do not want to sign up for this, please let your key person know, so that we can ensure we continue to contact you in writing.

Please can we ask you to name your child's shoes. We have lots of children wearing similar if not identical styles and it can be very difficult to match the right child with the right shoes!

Thank you
