Monday 20th June

9.30am – 11.00am

We would like to invite all Dads, Uncles, and
Granddads to join your child in nursery.

You will have a chance to participate in and
experience the nursery morning with your
child.

If you would like to attend please email us or
let a member of staff know.

The Great Outdoors

As the weather begins to warm up you will
notice we are spending even more time
outside in our lovely gardens.

In order to enhance this area further, we
have recently added some new areas of
interest including mud kitchens, nature areas
and planters to grow our own vegetables.

We believe children benefit a great deal from
spending time outdoors and all areas of their
development and learning can be nurtured
here. If you would like to know more I have
attached a short article for you to read from
the council of learning outside the classroom.

We like to make the best use of our gardens
throughout the year. As our British summer
weather can be unpredictable, please make
sure your child has suitable
clothes/protection for all weathers.

Thank you

Fun Day

This year our Summer Family Fun Day will be
held on Saturday 9th July.

We are currently writing to local businesses
asking for Raffle Prizes.

Do you know anyone we could approach for
a Raffle Prize?

We would really appreciate your help. If you
have any ideas please speak to a member of
staff.

Thank you

Car Park Safety

We are aware at the beginning and end of each day, the car park gets very busy and ask for your co-operation in helping us to prevent a serious accidents from occurring.

In order to do this, we ask you to:

Drive slowly with care

Use extreme caution when reversing

Use the in and out entrances as marked

Park sensibly

Ensure your children are appropriately supervised

Please remember there is additional parking in the college car park. This is available for you to use, particularly during afternoons/evenings when you are collecting your child from nursery.

Mobile Phones

I recently sent out an email about our updated Safeguarding children policy. In the email I explained parents would not be permitted to use their mobile phones on the nursery premises.

I would like to thank you for your positive response to this and ask for your continued co-operation with this policy.

Parent Representative to the Board of Trustees

Just a reminder, Tessa Sanderson is your parent representative.

In this role, Tessa is responsible for representing parent's and children's views on general matters relating to the nursery to the Board of Trustees
